

IAGI Newsletter

Thank You!

On behalf of IAGI, we extend our sincere gratitude to all members and stakeholders who took the time to complete our recent survey. Your input is invaluable, and we truly appreciate the thoughtful feedback you provided.

We are carefully reviewing the results and taking your comments to heart as we continue working to strengthen our programs and better serve our community. Your perspectives help guide our efforts, and we look forward to sharing updates on how your feedback shapes our next steps.

Thank you for your continued support — we couldn't do this without you!

Sincerely,
IAGI's Board of Directors

IAGI GeoGames

Mark your calendar!

The International Association of Geosynthetic Installers will host the 4th **GeoGames** competition. This event will be held in conjunction with the 13th International Conference on Geosynthetics. **The 13th ICG will be held 13—17 September 2026. This conference will held in Montreal Quebec Canada.**

Strengthening the Certified Welding Technician (CWT) Program

As part of our commitment to continuously improve the **Certified Welding Technician (CWT) program**, we're thrilled to welcome **Paige Richards** to the IAGI team!

Paige will be your **primary point of contact** for all CWT testing inquiries. With her long-standing involvement in the geosynthetics industry and dedication to supporting field professionals, she brings invaluable expertise and fresh perspective to this role.

Have questions or need to schedule a CWT test? Reach Paige directly at **CWT@iagi.org**

Stay Connected on LinkedIn!

We're sharing the latest news, safety tips, opportunities, and member highlights on our **LinkedIn page**—and we'd love for you to be part of the conversation. It's the best way to stay connected, celebrate our community, and never miss an update.

GeoGames Sponsorship Opportunity

Sponsorship opportunities for the 2025 **GeoGames** open on **October 1 at 10:00 p.m. EST**. The **GeoGames** bring energy, innovation, and friendly competition to our community—showcasing the skills and spirit of the geosynthetics industry. By becoming a sponsor, you'll not only highlight your company's commitment to advancing the field, but also gain valuable visibility among industry leaders and professionals. Don't miss this chance to be part of an exciting event that celebrates expertise, teamwork, and growth!

IAGI's InfoHub

The International Association of Geosynthetic Installers (IAGI) has introduced **InfoHub**, a dedicated resource center designed to keep installers informed and connected to the latest developments in the geosynthetics industry. This section features articles, insights, and practical information tailored to the needs of field professionals, covering topics that directly impact installation work and industry standards. With regularly updated content, **InfoHub** serves as a go-to destination for installers seeking knowledge, best practices, and updates that support both professional growth and project success.

Online Membership Upgrade

IAGI is upgrading to a new **membership database**, launching **November 1, 2025**. This new system is designed to make your experience smoother, faster, and more connected than ever before. From simplified renewals to easier access to member resources, we're building a platform that puts *you* at the center.

Watch your inbox for updates and step-by-step instructions as we get closer to launch—we can't wait to share this next chapter with you!
